Ahroun Blackfuries

Ahroun of the Black Furies. Your answers reflect your fierce nature, dedication to justice, and strong ties to the wild and your tribe's traditions.

? The Black Fury Ahroun's Creed

What motivates you most?

- **Justice and fairness** - *The Furies are Goddess's warriors, and an Ahroun is the sharpest edge of that mandate. We do not tolerate injustice.*

How do you view technology?*

- **Distrustful, nature is superior** - *The Wyrms work through the Weaver's excess. Cities are necessary, but the deep wild is the source of all strength. Technology too often harms the Mother.*

Your ideal community would be:

- **Tight-knit and loyal** - *A true sisterhood, where every member is trained, respected, and dedicated to the shared cause.*

When faced with conflict, you prefer to:

- **Fight directly and assert power** - *As an Ahroun, the Moon gifts me the strength to crush threats. Swift, decisive action saves lives and honors my aspect.*

How do you feel about rules and tradition?

- **Preserve and enforce them** - *The Rites and Traditions of the Furies have kept the flame alive for millennia. They are the sacred duty of the tribe, and I will uphold them fiercely.*

A corrupt official endangers the city. You:

- **Confront physically and intimidate** - *Diplomacy is for others. I will descend upon them in **Crinos**, shatter their confidence, and make them feel the terror of the Mother's wrath until they cease their corruption.*

You encounter a helpless animal suffering. You:

- **Rage against the cause, take direct action** - *The cause of the suffering is an agent of the Wyrms or a symptom of its corruption. I will not stand by. I act to destroy the source of the pain.*

Your group is divided on a decision. You:

- **Push a strong point of view** - *I speak the will of the Warrior Moon. I will state the path of action that is necessary to ensure the mission's success, expecting others to see the wisdom and strength of my conviction.*

A stranger requests refuge. You:

- **Size them up and test their worth** - *The tribe's safety is paramount. I will judge their sincerity and strength. They must prove they are worthy of the shelter of the Furies.*

You witness injustice. You:

- **Step in directly, regardless of risk** - *This is my sacred calling. I am the shield and the sword. Hesitation is betrayal.*

Which resonates with you?

- **Female empowerment** - *Our tribe is dedicated to the ancient matriarchal spirit, the strength of the Goddess, and the primacy of the She-Wolf. It is the core of who we are.*

For you, leadership should be:

- **Earned through respect** - *Through proven strength, dedication to the Mother, and unflinching courage in battle. The best warrior leads.*

How do you treat secrets?

- **Protect and use strategically** - *Knowledge is a weapon. The tribe's secrets are sacred; my enemies' weaknesses are to be exploited.*

How do you view modern human society?

- **Fragile and corrupt** - *Its patriarchal institutions and careless disrespect for Gaia make it a rotting husk, easily manipulated by the Wyrms. It is a constant source of threat.*

If given supernatural power, you'd:

- **Fight the world's greatest evils** - *My power is for righteous warfare. I would seek out the most terrible agents of the Wyrms and tear them down.*

Would you like me to use the answers provided to outline a brief, specific personal mission for your Ahroun character?
